

Non-Resident Contract

Students who reside outside the official boundaries of the Calhoun City School District are allowed to attend Calhoun City Schools when the following conditions are met:

- 1) A non-resident application must be completed at the beginning of each school year or upon time of enrollment.
- 2) The principal or his/her designee must determine the availability of space in the grade level of the student(s).
- 3) Student records must be reviewed and determined to be in compliance with the expectations of Calhoun City Schools. Academic progress, attendance and student behavior will be considered during the review of records.

The following condition must be followed in order to maintain out of district enrollment:

1. Student must be punctual and maintain good attendance. (No more that 10 absences/20 tardies/ check-outs.)
2. Student must maintain passing grades in all classes for each grading period.
3. Student must meet minimum competency on standardized tests (locally and state developed).
4. Student must exhibit good conduct with no chronic or serious disciplinary problems.
5. Parents or guardians must attend conferences as requested by the school and be supportive of the total school program.
6. Parents must maintain appropriate financial standing (i.e. no lunch charges/KEEP charges etc.)
7. Students must abide by the Technology Acceptable Use Policy of the school.
8. Applications should reflect accurate information. Falsifying any information regarding residency, attendance and/or school records could result in the withdrawal of the student from Calhoun City Schools.
9. Parent/Guardian is required to provide transportation for his/her child.

Should any of these conditions not be met, student's parent / guardian will be notified to withdraw their student from the Calhoun City Schools. A probationary warning is not required.

(An application for Non-Resident Students should be completed and kept on file for each school year. If a student moves in the middle of the school year, student information should be updated to reflect new resident status.)

It is hereby agreed that _____ (non-resident student) will be allowed to attend Calhoun City Schools for the 2009-2010 school year under these terms.
