Session 1: $60 ***Stained Glass/Suncatchers***- Students will be using glass and picture frames. Students will be creating a bright and colorful suncatcher to hang in windows. The process will use a 3D paint to create outlines that will make the pictures pop, and then a technique to color in the details with a translucent paint that allows the light to shine through.
Dates: K-2nd - 9/06, 9/13, 9/20, 9/27, 10/04 **3rd- 5th** - 9/08, 9/15, 9/22, 9/29, 10/06

Session 2: $60 ***Fabric Wall Hangings***- Students will be using a material that we don't get a lot of experience with Fabric. Using three sections of canvas, the students will design and paint each section into a cohesive design and attach them together to make a vertical wall hanging. These bright and colorful hangings are a perfect way to use paint, but also challenge the students how to piece together three different paintings into one piece of artwork.
Dates: K-2nd - 11/1, 11/08, 11/15, 11/29, 12/06 **3rd-5th** - 11/03, 11/10, 11/17, 12/01, 12/08

Session 3: $60 ***Printmaking***- Students will be experimenting with texture throughout this session. Using the print making technique, the students will use a simple but very fun and effective way to create textured prints. This process uses print or ink to make a reverse impression of the unique designs that the students come up with. This is a fun way to incorporate 3D elements and create artwork that challenges us to create patterns, think about radial symmetry and discover a new process!
Dates: K-2nd - 1/10, 1/17, 1/24, 1/31, 2/7 **3rd-5th** - 1/12, 1/19, 1/26, 2/2, 2/9

Session 4: $60 ***Animal Canvas Painting***- This session really focuses on craftsmanship and detail by taking an animal and really focusing on the face. These paintings will use a lot of color to zoom in on the details of the student's favorite animal, sketching them, and eventually painting them on a real piece of canvas to take home.
Dates: K-2nd - 2/28, 3/7, 3/14, 3/28 **3rd- 5th** – 3/2, 3/9, 3/16, 3/30
