Benefits of Music and Early Learning

Research:

Music gets the whole child involved in the learning process.

Music activities prepare the brain for more difficult tasks needed later by preparing the brain to work from both hemispheres.

Music helps the brain to process higher-level thinking.

Music and movement can be used to enhance memory skills and language development.

- ✓ Find & Develop Singing Voice
- ✓ Build Vocabulary
- ✓ Develop Musical Skills
- ✓ Learn Songs Through Repetition
- ✓ Participate in Pretend Play
- ✓ Learn Problem Solving
