Calhoun Primary and Elementary School Annual Title I Meeting August 27, 2019 at 5:30 pm

- Welcome
- Introductions
 - Principal- Beth Holcomb
 - Associate Principal- Mana Smith
 - Assistant Principals- Susan Bennett, Allison Eubanks, Josh McCanless, and Tiffany Watson
 - Family Engagement Coordinator- Maria Garza and Esperanza Campa
 - Faculty and Staff
- Meeting Agenda Posted
- Sign In (sheets on table outside the cafeteria)
- Translation in CES Cafeteria

Please Note: We welcome questions and input throughout the presentation. We want to make sure you leave the meeting informed about the Title I program as well as the opportunities the school provides to get involved.

What is Title I?

- The purpose of Title I under the Elementary and Secondary Education Act of 1965 (ESEA) is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.
- Title I is the largest federal assistance program for our nation's schools.
- Title I provides federal funds to public schools with high numbers or percentages of economically disadvantaged children to help ensure that all children meet the state's challenging academic content and student achievement standards.
- Schools with 40% or more of children from low income families can develop school wide Title I programs to serve all students.
- Calhoun Primary, Elementary, Middle and High School operates a school wide Title I program.
- The primary goal of a school wide Title I program is a high quality education for every child.

a tradition of excellence

How Does Our School Participate in the Title I Program?

- The federal government provides funding to states each year for Title I.
- To receive the funds, each state must submit a plan describing what all children are expected to know and be able to do; the high-quality standards of performance that all children are expected to meet and ways to measure progress.
- State Educational Agencies (SEAS) send the money to school districts based on low income percentages.
- The local school district (LEA) identifies eligible schools and provide Title I resources.

a tradition of excellence

How Does Our School Spend Title I Money? How is Title I Parent and Family Engagement Money Spent?

- **To increase student achievement for all students.**
- **Needs Based Assessment (conducted by school staff, school Leadership Team, PTO, School Governance)**
 - **Family Involvement Coordinators**
 - **Additional instructional faculty and staff (Language Academy, Literacy Lead, Attendance Officer and ESOL)**
 - **Software Subscriptions**
 - **Instructional Resources and Supplies**
 - **Technology (Chromebooks and Interactive Boards)**
 - **Classroom Trade Books**
 - **Supplies for Parent Workshops**
 - **Books and Periodicals for Professional Development**
 - **Summer School**
 - **Interventionist**
 - **Reading, Math and Gifted Endorsements**
 - **Professional Development**
 - **Parent Literacy Training and Materials**
 - **Parent Resource Room Materials**
 - **Literacy Book Bags**
 - **STEM Night**
 - **Home Connections**

a tradition of excellence

What are Our School's Title I Schoolwide or Targeted Assistance Requirements?

- Calhoun Primary/Elementary School runs a schoolwide Title 1 program.
- A schoolwide Title I program uses its Title allocation to upgrade the entire educational program of the school to raise academic achievement for all students at the school.
- A schoolwide program is built upon reform strategies rather than separate, add-on services directed towards select group(s) of students/programs. This schoolwide reform strategy requires that a school:
 - Conducts a comprehensive needs assessment;
 - Identify and commit to specific goals and strategies that address those needs;
 - Create a comprehensive plan; and
 - Conduct an annual review of the effectiveness of the schoolwide program and revise plan as necessary.

a tradition of excellence

What are Our School Wide Goals?

Students in grades K-5 will exhibit positive student growth in ELA during the 2019-20 school year, as measured by MAP, based on the individualized predictors of growth for each student.

Students in grades K-5 will exhibit positive student growth in math during the 2019-20 school year, as measured by MAP, based on the individualized predictors of growth for each student.

To operate within the state approved positive behavior system (PBIS) endorsement program and use the CKH framework to execute a consistent school wide discipline plan.

a tradition of excellence

What Programs and Supports Are in Place to Help My Child?

- Georgia Standards of Excellence - Common Core Curriculum
- Collaborative Planning (Units and Lessons)
- Differentiated Instruction
- Small Group Instruction
- Student Engagement
- Special Services (EIP, ESOL, Discovery, ESS, etc.)
- Benchmarks/Progress Monitoring (Navy, AIMSweb, Writing Rubrics, pre/post tests)
- Data Analysis
- Instructional Technology
- Continuous Staff Development
- HIVE
- Morning Tutorial
- STEM
- Summer School
- COLA
- Interventionist

a tradition of excellence

What is the State's Grades Report for Our School?

- **CCRPI**

- The College and Career Ready Performance Index is a comprehensive school improvement, accountability, and communication platform for Georgia. It aims to promote college and career readiness for public school students. It is comprised of four indicators at the elementary and middle level: Content Progress 35%, Mastery 30%, Readiness 20% and Closing Gaps 15%.
- View any school's report in it's entirety at gadoe.org

- 2017-2018 College and Career Ready Performance Index Scores

- Calhoun Elementary School's CCRPI score: 81.9
- Georgia State Average CCRPI score for Elementary Schools: 77.8

a tradition of excellence

What Curriculum Does Our School Use?

- Georgia Standards of Excellence
 - The Georgia Standards of Excellence (GSE) provide a consistent framework to prepare students for success in college and/or the 21st century workplace.
 - The performance standards provide clear expectations for instruction, assessment, and student work. They define the level of work that demonstrates achievement of the standards.

a tradition of excellence

What Tests Will My Child Be Taking This School Year?

State

- Kindergarten: GKIDS
- K-5th Grade ELLs: ACCESS
- 3rd-4th Grade: Georgia Milestones ELA and Math
- 5th Grade: Georgia Milestones ELA, Math, Science and Social Studies

Local

- MAP (Measure of Academic Progress)
- Navvy (Formative Assessment)
- Pre/Post Assessments in Writing

a tradition of excellence

How Do These Tests Measure My Child's Progress? What Proficiency Levels Is My Child Expected to Meet?

- GKIDS
 - Georgia Kindergarten Inventory of Developing Skills 2.0 (GKIDS) is a progression-based formative assessment, integrated into classroom work, that is aligned to the Georgia Standards of Excellence. GKIDS 2.0 provides teachers with one source of real-time information to adjust instruction, by identifying what a student already knows, what the student needs next, and by allowing teachers to monitor growth.
 - ELA and Math standards will be assessed using two to five performance levels for each element. Beginning, Emerging, Developing, Demonstrating and Exceeding. Non-Academic domains including approaches to learning and personal and social development have three performance levels: Beginning, Developing and Demonstrating. GKIDS is a growth model where students work toward a proficiency level of Demonstrating and Exceeding.

How Do These Tests Measure My Child's Progress? What Proficiency Levels Is My Child Expected to Meet?

- Georgia Milestones
 - The Georgia Milestones is a comprehensive summative assessment program spanning grades 3 through high school. This assessment is designed to provide information about how well students are mastering the state-adopted content standards in English Language Arts, mathematics, science, and social studies. Performance on the English Language Arts portion of Georgia Milestones is linked to the Lexile scale, a national reading measure that matches students to appropriately challenging reading materials.
 - Milestones results are reported using four categories of achievement: Level 1: Beginning, Level 2: Developing, Level 3: Proficient, and Level 4: Distinguished. Milestones is used to measure student growth with a level 3 of proficiency being the target.

a tradition of excellence

How Do These Tests Measure My Child's Progress? What Proficiency Levels Is My Child Expected to Meet?

- ACCESS

- Assessing Comprehension and Communication in English State-to-State for English Learners (ACCESS) is a standards-based, criterion referenced test that is administered annually to English Learners to determine progress toward English language proficiency in the domains of speaking, listening, reading and writing.
- Students are assessed and given proficiency level scores that describe student performance in the terms of the six WIDA English Language proficiency levels: 1- Entering, 2- Emerging, 3- Developing, 4-Expanding, 5-Bridging, and 6-Reaching. Student progress is monitored by comparing current scores to previous scores. Students with an overall and literacy score of 4.8 or higher are no longer considered an English Learner.

a tradition of excellence

How Do These Tests Measure My Child's Progress? What Proficiency Levels Is My Child Expected to Meet?

- Writing Assessment
 - Lucy Calkins on-demand writing assessments are given at the beginning and end of each Lucy Calkins writing unit. The writing prompts that make up the assessments direct students to compose the best piece of writing they can, within the genre being studied - narrative, information, or argument, in a fixed period of time.
 - Progress is measured by using grade specific rubrics to score the writing pieces. The expectation is to see gains and progress from the pre on-demand assessment to the post on-demand assessment. It is expected that students have reached the proficiency level that corresponds to their grade level; however, growth is key.

a tradition of excellence

How Do These Tests Measure My Child's Progress? What Proficiency Levels Is My Child Expected to Meet?

- MAP
 - MAP Growth is a computer adaptive test that students take three times per school year. The purpose of MAP Growth is to determine what the student knows, regardless of his or her grade level, and what he/she is ready to learn next.
 - MAP Growth measures student achievement growth over time, by tracking students' progress throughout the school year and across multiple years. The results provide teachers with information to help them deliver appropriate content for each student. Results are delivered in the form of a RIT score. Students scoring average or above based on national norms for the students' grade level are considered proficient and/or exceeding.

a tradition of excellence

How Do These Tests Measure My Child's Progress? What Proficiency Levels Is My Child Expected to Meet?

- Navy
 - Navy is web-based, formative assessment program that assesses the Georgia Standards of Excellence in ELA and Math through assigned mastery checks. Students may be given up to three attempts to show mastery of each standard within the program.
 - Students receive a score of Mastered or Progressing after completing each assigned Navy mastery check. Progress is measured by student mastery of the standards assessed.
 - Students are considered proficient with a standard in Navy when they receive a score of “mastered” on the correlating mastery check. Navy does not consider the number of attempts toward mastery to determine proficiency. The main goal is for students to master the standard, whether it be on the first or last attempt.

a tradition of excellence

What is Required by Law for Parent and Family Engagement?

- Ask for meetings and trainings.
- Review the results of annual our annual Parent Involvement Survey.
- Review the school's achievement data.
- Review and have input on the School Improvement Plan.
- Review and have input on the Title I Family Engagement Policy and Stakeholder Compact.
- To know the credentials of faculty/staff and Professional Qualification status.

What is the District and School's Parent and Family Engagement Policy?

- Every Title I school/district, in collaboration with parents, must develop a Family Engagement Policy. The Family Engagement Policy describes how the school will involve the parents/family in an organized, ongoing, and timely way in the planning, review, and improvement of the Title I program at the school.

a tradition of excellence

What is a School-Parent Compact?

- The school's Stakeholder Compact describes the responsibilities of the school staff, the parent(s), and the student for improved student achievement.
- This document is developed in collaboration among parents, teachers and students. It is updated annually.
- The compact is reviewed and signed off on by each stakeholder annually (student, parent, teacher and administration) during scheduled parent conferences in the fall.

a tradition of excellence

Does My Child's Teacher Meet Professional Qualifications? What is a Parent's Right to Know?

Parents have a right to know that their children are being taught by professionally qualified teachers and paraprofessionals. All of these individuals must be considered professionally qualified by meeting rigorous standards including:

- Competency in subjects taught
- Passed state tests (Teachers/Paraprofessionals)
- Full certification
- College degree

a tradition of excellence

What Opportunities Does the School Provide for Family Engagement?

- PTO
- School Governance Team Meetings
- Committees
- Family Engagement Coordinator– Maria Garza and Esperanza Campa
- Parent Resources located in Parent Resource Center (located in the Media Center)
- Open Lines of Communication Between Home and School
- Communication Folders
- Volunteer Program
- Orientation, Literacy trainings, Jacket Parent University, STEM Night, Career Day, etc.
- Stakeholder Meetings-Lunch and Learns, Eggs and Issues, etc.
- Parent Conferences
- Special Program Meetings
- School/System Website, Shout Point, Newsletters, Facebook, Twitter, etc.
- Parent Portal

School Governance Team

- School Governance Team
 - A school governance team is a group of parents/guardians, educators and community members who work together to support student learning and well-being in their school.
 - Members: Tammy Baggett (parent), Jaime Bramblett (teacher), Allison Davis (parent), Noemi Garza Garcia (parent), Gregg Hansen (community), Harris Housley (community), Lauren Howard (parent), Adrian Lyles (community), Shawn Parr (teacher), Mandy Robertson (teacher), Steven Waters (community), Holly Williams (teacher), Kristen Williams (teacher) and April Witmer (teacher)
 - Meeting Dates for 2019-2020: August 29, September 26, December 12, February 4, and April 28
 - ✦ School level meetings are held at the Complex and start at 8:00 am
 - ✦ System Level Training/Meetings: October 22 and March 12
