

School-Parent Compact
Calhoun Primary School
School Year 2020 - 2021
Revision Date 06/11/2020

Dear Parent/Guardian,

Calhoun Primary School students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED

The parents, students, and staff of Calhoun Primary School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents, added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the summer/fall each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

Calhoun City Schools Goals:

- During the 2020-2021 school year, students will exhibit positive student growth, as measured by MAP, based on the individualized predictors of growth for each student.
- During the 2020-2021 school year, Calhoun City Schools will establish functioning data teams focused on the evaluation and desegregation of school data to improve student achievement.
- For the 2020-2021 school year, CCS will operate within the state approved positive behavior system (PBIS) endorsement program and execute a consistent school wide discipline plan.

Calhoun Primary 2020-2021 School Improvement Goals

- 80% of students in grades K-5 will achieve a conditional growth of 30% or higher in reading on winter and/or spring MAP.
- 80% of students in grades K-5 will achieve a conditional growth of 30% or higher in math on winter and/or spring MAP.
- To operate within the state approved positive behavior system (PBIS) endorsement program while maintaining consistency in the implementation of Capturing Kids' Hearts framework and
- executing a consistent school wide discipline plan.

The overarching goal of Calhoun Primary School is to increase early literacy skills for students in kindergarten and first grade.

To help your child meet the district and schools goals, the school, you, and your child will work together to:

Instill a love of reading in all children:

- As a teacher, I will use the monthly school newsletter to provide literacy-based ideas for parents to participate in with their child at home.
- As a parent, I will read the monthly school newsletter and utilize the monthly literacy-based ideas provided to me to instill a love of reading in my child.
- As a student, I will take part in the activities provided for me in the monthly newsletter to build my love of reading outside of class.

Improve Vocabulary:

- As a teacher, I will use the monthly newsletter to provide vocabulary focused ideas, games, and activities for parents to participate in with their child to build vocabulary skills at home.
- As a parent, I will read the monthly newsletter and utilize the vocabulary focused ideas, games, and activities with my child to build vocabulary skills at home.
- As a student, I will play the games and participate in the activities provided in the newsletter at home with my family to gain practice building vocabulary skills.

Build Reading Fluency:

- As a teacher, I will use the monthly newsletter to provide fluency focused ideas, games and activities for parents to participate in with their child to build reading fluency skills at home.
- As a parent, I will read the school newsletter and utilize the monthly fluency focused ideas, games, and activities with my child to build fluency skills at home.
- As a student, I will play the games and activities provided in the newsletter at home with my family to gain practice building fluency skills.
